THE GASLIGHT GAZETTE

2023

We had a great tour to Stanton on March 18! We had over 30 people go and at least 10 old cars. It was so much fun! Lunch was great at Luchi's Steakhouse in Stanton. Then we were off to the Monastery it was amazing what has been done there. They are still to build a building and a church. I see a trip back to see all the new updates. If you weren't able to go you really missed a great tour. Thank you Rick and Rita for another great tour for us all. Can't wait to see where we go next.

Great meeting once again on April 1st. The minutes were read and Approved. Treasury report was read and approved. Remember to get your club and national dues in. Club dues are \$20 a family. The Pate Swap meeting is just around the corner, we are working April 28 and 29 at the car coral. This is our big yearly fundraiser for the club. We have 4 rooms left at the Comfort Inn if you need one Please contact Dale Dawson.

April 15th is the Redneck benefit car show for Gifts of Hope, there is a flier attached. It is for a very good cause and there will be lots of activities at the Event. We have 16 spaces at the event. Please contact Rick Elkins if you would like one.
