GREETINGS CLUB MEMBERS!!!

Boy, we had one fantastic meeting this month!!! The Brookshire's (Weldon, Jeanie and Jack), new potential members and existing members that have not been around for a while showed up. It was awesome to see everyone doing so well!!!!

I keep having challenges with just about everything having to do with the Diner! I guess the AC was working very well. I had a person tell me Monday that it was extremely cold! Please tell me and I can change the temperature in a heartbeat! The AC and water heater I can mark off as good. Get the grill fixed and I will be in high cotton!!! I apologize for the chicken ! When you take the LOVE out of the cooking it is just not the same!

I want to give a big THANK YOU to David Diffie and his committee for all the effort that they put forth on the research of staying with AACA or going rogue. I do not think anyone knew just how Pate and our organization was tied together!!! We must all try to bring more people into our membership to get our fair share from Pate!!!! Great presentation Dif for a job well done!!!!

Another big THANK YOU for Ron Backer for bringing his new 2021 Corvette!!! What an awesome car!!! Really did like the blue and black combination on the paint!!!! It should would have been nice if he would have given everyone a ride!!!!!! LOL

Jeanie Scott has a tour planned for this coming Saturday August 21. Please see her info on the tour and call me if you plan to attend. Everyone is welcome to participate with or without a classic car. My cell number is 432-770-5589. I have a telephone block on my phone! If I do not answer please leave a voicemail!!!!!!
