

THE GASLIGHT GAZETTE

Sweet friendships refresh the soul and
Awaken our hearts with joy.....Psalm 27.9

We had 25 members at The January 7th meeting. As usual, we missed those who did not attend, and it was nice to visit with those who did.

One of our newest members, Robert Madrid is having some serious medical problems, so please keep him and his family in your prayers.

We are planning a Valentine's Tour, the date is tentatively February 11, 2023. Rick Elkins will be sending out more information as soon as it is available.

Jeanne Brookshire won the 50/50 drawing for \$37.50.

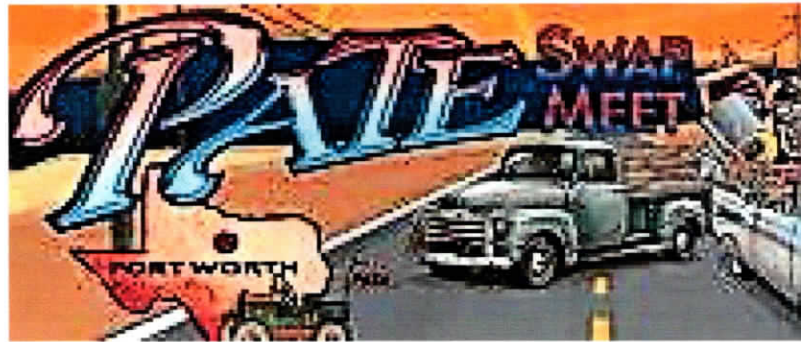

A committee was formed to work on the 58th Grand Ole Tour to be held in October. If you have any ideas for where the Tour should be based, please let the president, Ron Backer, know your thoughts.

Next Meeting will be February 4th at Jason's Deli in Odessa Texas.

One last thing, a friend of Skip Baca has a 1941 Cadillac Coup for sale. See the attached information. Contact Skip at 432-214-4464.

Our Club will again be in charge of the Car Corral at the Pate Swap meet, April 27, 28, 29, and clean up on the 30th. We will be asking for volunteers to work at the Swap meet, so keep your calendar free and step up to help the Club. This year we are working all 4 days not just the 2 we usually do. We are paid by the Swap Meet and this is our biggest fundraiser. Jack Brookshire and Dale Dawson will have more information and a sign-up sheet for volunteers at the February meeting.

We need to get our membership built up for this event. We have 2 weeks before we have to turn in the paper work to Pate on our membership. The more members we have the more we receive from working at Pate. So turn over any rocks you might have to get new members signed up.

All help is greatly appreciated.

Thank You!

\$35,000.00

Selling a 1941 Cadillac Coup. Manufactured November, 1941, one month before Pearl Harbor. Engine (425 7.0 liter), transmission, drive train, oil pump, fuel pump, and steering column from a 1979 Cadillac Coupe de Ville. Mileage: 23,706, body is solid, lots of chrome. This was the year the headlights moved from being mounted on top of the fender to the front of the fender. Beautiful, chrome "egg crate" grill, topped off by goddess of speed hood ornament.
