President's Corner

What a great Christmas party, great food, great gifts and most of all great friends! Rita did a wonderful job finding a place and making the arrangements. It's not an easy task, three cheers for Rita. We owe Tylene a big thanks for saying the blessing over the food.

I also want to thank my daughter, Lisa, and all that helped with the white elephant exchange. Lisa did an awesome job getting all the presents announced.

But most of all thanks to our club's great members!

From Jack Brookshire:

I would like to thank everyone from the AACA West Texas Region that Were able to come to dads 90th birthday party on December 10, 2022. I know dad really had a great time and enjoyed visiting with everyone. Thank you so much for spending your Saturday with us. I would also Like to thank everyone that helped with the restoration project on the M274 Army Mule. Dad was not expecting that and to see face light up When he saw it was like seeing a child who just got a new bicycle for Christmas. "Priceless". I know there were several club members and non-club members who spent many hours working on this project to Make is happen. Thank you all so very much.
