THE GASLIGHT GAZETTE

Welcome to the West Texas Region Club!!!

I hope everyone is having a great 2022 so far. Last year 2021 we ended the year with a wonderful Christmas Party at the Elegante Hotel in Odessa. We had lots of friends and fun times at the party. This years Christmas Party was the scene of a great surprise for one guest and wife. Club members had decided to Honor Jerry Owens for his years of service to the club. Jerry has been responsible for multiple events over the years. He continues to organize and host these events that give members opportunities to get their cars out of the garage and enjoy driving and showing them off. Jerry was presented a Plaque recognizing his service. The surprise came after receiving the plaque. A little history here.

Ron Backer and Dale Dawson had great idea to have some door prizes at the Christmas Party. When Ron was deciding what might be a good Door Prize he could donate, he remembered he had a 1957 Chevy Belair Convertible Model in its original box that he had bought 10 years prior. He had not looked at it in the last 4 years. When he opened the box, he was shocked to see the color of the model car, Tropical Turquoise. This was a perfect match to the 57 Chevy Jerry and his wife Patty owned.

Jerry, who has always been known as a "Ford Guy" had always told everyone it was Patti's car. At that moment Ron knew this Model 57 Chevy was not going to a Door Prize, it had to be a gift to Jerry and Patti. The surprise and delighted reaction of the couple left no doubt the Model Car was where it belonged.

ABOUT RED MESA GRILL

The restaurant has been in operation for several years and recently underwent renovations and is under new ownership. Our mission is to continue the long standing history of being a place where families can enjoy a pleasant dinner out or friends can meet for Happy Hour. The menu provides a little taste for everyone and is ideal for those business lunches where it might be impossible to please every palate with just one genre of food. Our cuisine is mostly inspired by the owner's appreciation for Santa Fe, N.M.'s popular dishes. Therefore, we use the finest green chilies, chipotle peppers, black beans and savory white cheeses to differentiate ourselves from the typical Tex-Mex establishments. We also serve several American favorites and some of the finest desserts as well. If what you're searching for is a casual dining experience with a warm atmosphere, tasty food and friendly service, Red Mesa Grill is your place.
