

{ PRESIDENT'S CORNER }

Wow, what a great turnout, 35 members. If this keeps up we will have to look for a bigger room to hold the meeting in. The changes in the By-Laws are very important and I hope all members will take the time to read them and vote on them.

Hope to see you all on the Valentine tour, Feb 11.

THE GASLIGHT GAZETTE

Joy is increased by spreading it to others....

Great February meeting. We so enjoyed seeing so many of our Car club Friends. The room was pretty much full. We were sorry Red and Marilyn were not able to be with us. They have both been sick with Covid but are doing better. Robert Madrid has also been sick but we where told he is doing a little better.

Ron started the meeting. The Secretary notes were approved. No Treasure report was given as Marilyn could not be there. We discussed the by laws changes, and Pate Swap that is coming up in April. Pate will be different this year because our club will be working all 4 days. Dale Dawson gave an update of the last Zoom call meeting since Jack was out of town and couldn't take the call. A sign up sheet will be at the next meeting for those that can come work the event.

Jerry Owens did another Car Trivia about Ford's that are no longer in Production. Amazing how many have gone to the bone yard. Several members started their stories about cars they had that were on Jerry's list. It made for great conversation among everyone.

Once the meeting was adjourned we play a couple games of BINGO who doesn't love Bingo. The winners of the games were Melvin Hammontree and Dale Callen.

Jack Brookshire won the 50/50.
