

THE GASLIGHT GAZETTE

FEBRUARY

2025

HAPPY FEBRUARY TO ALL! We had a very nice meeting this last weekend. It is always so nice to see everyone and catch up on what everyone has been doing. We had 16 at the meeting. Sorry I wasn't there but I am sure everyone had a Great time.

We have a really nice Valentine Day Tour set up for February 15. It will be so much fun, so we hope everyone gets out and goes with us to Cooks Garage in Lubbock. This is a really amazing place and will be a wonderful Tour.

February 8th is a cars and coffee at Crestview Baptist Church in Midland. A first for us they are having a Weenie Dog Race.

Pate Swap meet is just around the corner, and we need everyone to get their dues paid so we can have a correct head count to turn in to Pate. This is how the club makes its money for the year so the more people we have on our list the better. So, if you know someone that wants to join bring them to a meeting or take them on a tour to see how much fun we have as a group. We have 2 Hotel Rooms left if anyone would like one. They are way cheaper than last Year and we got the Pate Swap meet rate. The hotel is about a mile from the Track.

We did loose a great member, JJ Backer passed away January 27, 2024. She was Such a nice and wonderful lady.

Bingo winners were Ramona Daley and Shorty Callen

50/50 was won by Rita Triano
