January Meeting Minutes & Financial Documents

From Donna Johnson

CALL TO ORDER: 18:50

Guests:

Jerry & Patty Owens bring: Ben & Lisa (Elizabeth) Scoggins, and Chuy & Samantha Luna.

David & Rita Diffie bring: David & Judy Criner, and Paula Diffie.

Glenna Kretzler brings: Ver Nell Fidler and son, Bill Fidler.

Detours & Roadblocks:

Norma Gonzales has her last treatment for lymphoma this coming week. Feels pretty bad for a few days afterward. Says she is responding well to treatment.

Weldon Brookshire has been able to go back to work for a few hours each day. Says he wears out sooner than he wants.

Halley reports Ginger is doing well since she changed Parkinson's doctors. She is night and day better since. She is on a girl's trip with their daughter and Rita Triano. He spoke with her earlier, and she is feeling good and isn't having any problems.

Announcements:

David Diffie announces David Criner is running for Midland County's Sheriff's office. They have known each other for many years, following their children in sports activities. He has a background of being a DPS officer, and was the lie detector guy. You have to be really smart to do that. Another friend and I applied for the same position and was told, both of us together weren't smart enough to do that job. If anyone wants a sign in their yard, let us know. They are a great family, with great values.

Sam Austin: If any of you are interested in joining the Club, please give me your phone number on a page provided on the front table.

New Business:

The Valentines tour is next Saturday, 02/08/2020. It's being hosted by the San Angelo Club this year. We will leave at 8:00 am, sharp, at the Stripes on Big Spring and Loop 250. We are going to Abilene. There is a flyer that will be on the website and the information will be in the News Letter. For your information, Roger Banks has taken a leave of absence from the Club in San Angelo. He is on the Board for The Fort, and it has taken more of his time than he expected.

Old Business:

Lee Ivanhoe: Pate Swap Meet in late April, and is held at the Texas Motor Speedway. There is a Buc'ees across the street for those who are fans. There will be hundreds or thousands of vendors who will be at the Swap Meet. Some of you may even bring things to sell or trade. Our Club is responsible for monitoring the Car Corral. This is the most significant fundraiser for our Club. We will make \$3,000 - \$4,000 for the event, which works out to be about \$240.00 per worker. We still have a few spaces for volunteers, if you are interested in working. We have reserved 10 rooms near the Speedway for anyone interested in going. We have 4 rooms left, @ about \$114.00/night. Our income from the Meet is based upon the number of National Members in our Club. If you haven't paid your National and local, or dues, please see Marilyn Brogden after the meeting.

50:50: \$76.00 - #204 Jeanne Brookshire

Car of the Month:

Ben Scoggins brings his 1957 Chevy that he's had for 21 years. Their children grew up riding in it. I enjoy driving it. Interior is new, similar to the original. It has the original engine, but now, has an overdrive in it. We have driven it all over Texas over the years. Tends to drive too fast in it and wife fusses at him.

Adjourned: 19:10
