# THE GASLIGHT GAZETTE

**Time for some July heat!!!!**

July has arrived with a vengeance of major heat, 106 is just too much for anyone and for the old cars to stand.

We had a nice meeting on July 9 and it was really good to see everyone that came to the meeting. Unfortunately Red and Marilyn had a fender bender getting into the parking lot of the Jason's Deli. We were all so glad they were not hurt.

Everyone agreed that the event at the Hope House was a lot of fun and that the Lawn Concert was really a good deal and fun. Thanks to Jerry Owens for setting these up for us. We will probably have another Lawn Concert in the future to go to. So come enjoy a good hotdog and lots of good fun with friends.

We all welcomed Greg Johnston as the new Secretary for the club.

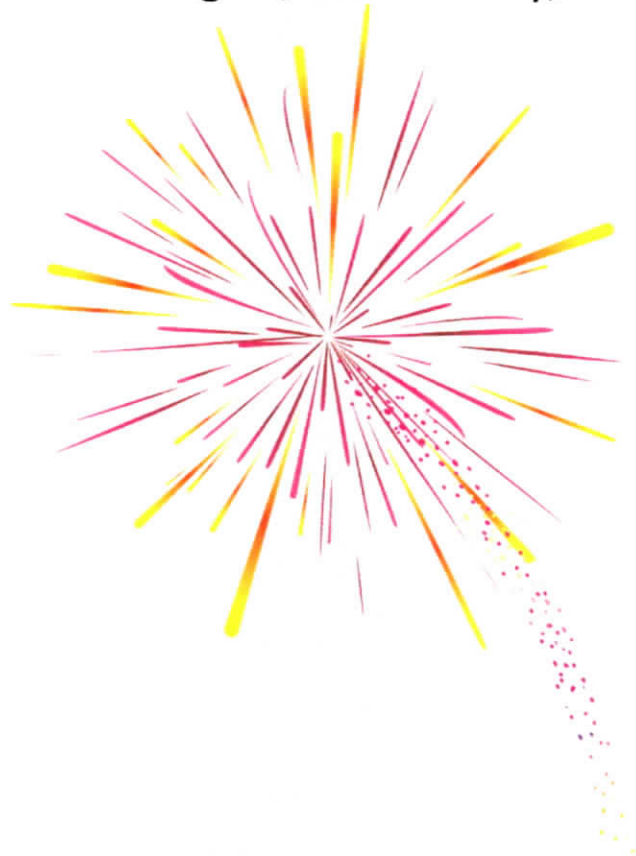

The Grand Ole Tour was discussed and it's well on its way to being finalized. There will be a trip to Weldon Brookshires Car Museum in Pecos, Star Gazing, A tour to Fort Davis, A tour to McDonald Observatory, and lots of fun things to do. We have invited the San Angelo and Odessa Car Clubs to join us. Please see the flier on the tour and get your rooms ASAP.

Hope to see you at the next fun with friends meeting in August. Be on the watch out for a email detailing where and when it will be.
