

MESSAGE FROM THE PRESIDENT

In spite of many members being out of town we had 18 people show up for the meeting.

As usual we all had a good time.

The big news was after months of trying we finally got our Club's CD rolled over. Additionally, we have booked a room at the Barn Door restaurant for our Christmas Party, to be held on December 9th. So mark your calendars. Hope to see you all next month at the August meeting.

Ron Backer

THE GASLIGHT GAZETTE

Great July 1st meeting and along with it came some wonderful rain! I didn't really like the hail that came along with it but the rain was Wonderful!

We had the treasurers report which we are going to do a check to Meals on wheels Midland and Odessa. They are both great causes. The problems at the bank are finally settled just took a while.

Several announcements: The Grande Ole Tour will be based in San Angelo the date will follow later tours will be to Sweetwater and Sonora. The Christmas Party this year will be at the Barn Door in Odessa on December 9th.

Melvin Hammontree told a story about the Shelby Mustang that got away from him during his racing years. The car ended up being Auctioned several times with the final bid at auction of \$750,000. That was a big one that got away for sure.

Ron Backer had a special question. Do you know where hush puppies name came from and it came from the slaves trying to escape and throwing them at the hounds so HUSH PUPPIES.

Jack and Betty McCann are wanting to sell their 1956 Yellow T Bird which is a gorgeous car if you haven't seen it. If you are interested please call 432.413.9540.

Weldon Brookshire needs a 1950 Model Ford Hood if you know of someone that has one let him know.

50/50 was won by Jack Brookshire.

Jerry Owens had the card of a gentleman that makes old license plates for the Antique cars. The card is attached below if you need one.
