

THE GASLIGHT GAZETTE

Welcome to the West Texas Region Club!!!

We were all so glad to see everyone this past Saturday evening. We were especially glad to see Sam and Norma Gonzales. Sam announced to us all that Norma is Cancer FREE! It has been a hard few years for them and this is really exciting news. A huge CONGRADULATIONS to Norma. You worked hard, never gave up and we are all just so excited for you and your family.

We had a good crowd at the March meeting and as always we Love to see all our good friends. We do have a request if you RSVP and then can't make the meeting please let us know so we don't end up with to many places ordered for the meal. Once ordered we do have to pay for all ordered.

We have one more meeting before the Pate Swap Meet at the End of April. If you would like to work a slot please let Dale know we still have 2 places left on Friday and Saturday. Dale can be reached at 432.634.6094. Also there are still hotel rooms available at the Comfort Inn, the information is below on a Flier. We will be cancelling any untaken rooms By April 18.

April 9th is the Red Neck Car Show we have 18 spaces set up for this event. It has very nice facilities and spaces are \$35 so far we have 8 paid for. If you'd like to go have some fun contact Rick for the forms. The prizes for this are very substantial.

We plan to have a fun topic of information at the meetings "Remember the good Ole Days" thank you Jerry Owens for this suggestion we had a very lively discussion on Earl Schribe at the meeting. We also are planning to having guest speakers at the meetings. A tentative date is being set up for a gentleman with a 3D Printer to demonstrate how he could make car parts. One other thing that Rick would like to do, is a workshop for members A How to Session on repairs to their vehicles. The first workshop maybe on Dick Grenvik door panel so some repairs can be made once removed.

The Grand Ole Tour is also coming back this Fall, the San Angelo Wool Capital will be joining us, they are all very excited about it. We are looking for a location to get the ball rolling on this. Major FUN! if you haven't been to one you need to attend it's so much fun.

50/50 drawing was won by Red Brogden

The next car club meeting place will be announced before the Next meeting. Hope to see you all there!!!!

CONGRADULATIONS TO NORMA GONZALES
CANCER FREE!!!!!!!!!!

FEBRUARY 12 VALENTINE TOUR

What a great start to February. The Valentines tour was so fun to do with so many great friends and their old cars out and about. The day did start out very windy and a little cold but, 41 of us braved it and headed to Big Springs for a great lunch and time. Five from San Angelo Wool Capitol Car Club joined us, and it was so good to see them. There is just nothing like touring with friends. We are looking forward to the next one.
