

THE GASLIGHT GAZETTE

HELLO
March

2025

We had some members back that we have all missed greatly, Norma Gonzales was at the meeting and it was so nice to see her and Sam. She looks great and we all pray for more healing for her. Our President Robert Madrid is in Houston doing testing no results yet we are all hoping for wonderful news for him. Larry Pherigo needs our prayers his wife is very bad with Dementia. Larry Griffins Daughter Michelle is having back surgery soon. All our club will be praying for them as they continue their journey of healing.

Sounds like the Valentine Tour was a great time and trip for everyone that traveled to Cook's Garage in Lubbock. Glad everyone had a Wonderful time. Thank you to Rick and Rita for setting it all up.

Brad sent shirts with Curtis that he had been working on for the club and they will be \$50 each you have to get your size into Curtis or Brad. These are really nice embroidered button down shirts.

Johnny Franco is also doing T Shirts for everyone they are \$15 a piece. Just let him know if you'd like one.

Pate is just around the corner April 24 to 27 if you'd like to work a shift please let Dale or Jack know. The hotel for Pate is the TRU by Hilton and is right at the track we have 2 rooms left which we will have to cancel before long. The Saturday night dinner will be paid for by the club for all that work at Pate. Pate is how the club makes money for the year so we need everyone to support it and those that work so hard at it each year.

Jerry Owens did Trivia on Kennedys limo that he was shot in. Very interesting for sure.

Jerry also told everyone about a Midland Downtown Celebration of the Arts May 18 and will have more information on it for everyone. They would like 10 cars at the event.

50/50 was won by Johnny Franco

Bingo was won by Rick Elkins, Charlie Grisham, Karen Griffin and Larry Griffin
