

THE GASLIGHT GAZETTE

2024

October greetings to all the club members. I hope everyone is doing well and ready for some nice cool weather.

We had some new developments at the meeting. We held our yearly Officer elections. We all want to tell Skip Baca how much we appreciated him as our President for the last year he did an awesome job! I know our new President Robert Madrid will do a fantastic job as well. Welcome Robert to your new position! Below is the list of all the officers.

Robert Madrid	President
Curtis Nicholson	Vice President
Marylin Brogden	Treasurer
Tori Baca	Secretary
Jack Brookshire	Pate Rep
Dale Dawson	Pate Alternate
Cathy Dawson	Newsletter
Brad Daley	At Large
Red Brogden	At Large

We did not elect a tour person and instead decided to see if one person each month would put on a tour to some place of their choice for everyone. So if you want to pick a month let us know and we will add it to the month and look forward to a new adventure. Doesn't have to be far away and can just be for the day for breakfast, lunch, dinner or just whatever. Just A tour to get the cars out and travel around and have fun together.

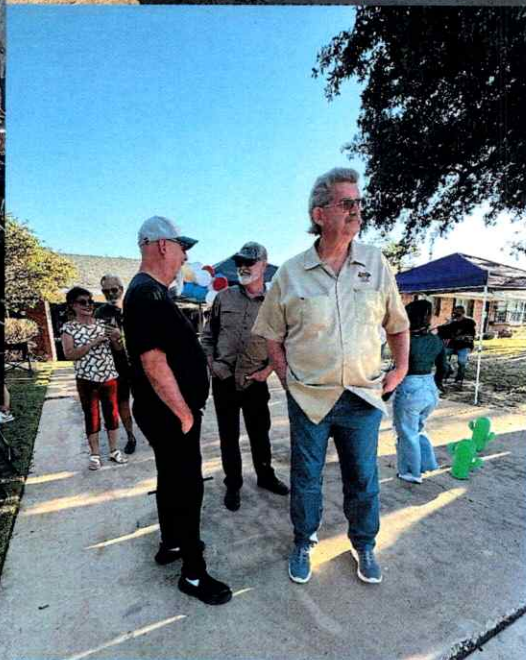

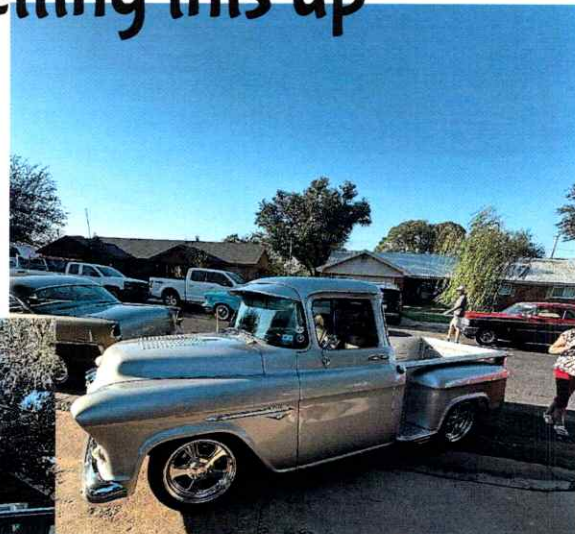

We discussed the club T-Shirts again and Rita has turned everything over to Brad Daley. Brad will let us know the next meeting what designs he has.

We also received 4 free AACA Memberships to give out to new members we need to get our numbers up for Pate, which Pate pays us to work according to our club membership. So if you know anyone interested in joining our fun group let us know.

Skip and Tori Baca are having a Show and Shine along with burgers at their house on October 26 from 5 to 8. Bring a dish and come have a great time. This is also listed on the EVENTS Page. Hope to see lots of old cars there!!!!
