It's with sadness and happiness that I announce my term as President has ended. Thanks to all the members for their help. We embark on unknown territory, all our Club officers are women. I wish them all the fun I had and more!

Ron Backer
Past President

Thank you for your hard work,
your positive attitude, your
willingness to sacrifice your peace
of mind, thank you for being that
caring hand and that comforting
smile for those that need it the
most. you make our life better and
you shine bright for all of us!

THANK
YOU

Thank you, fellow car club members for electing me as this years president of our car club. I will do my best as the president. I'm not sure I can fill the shoes of past presidents we have had but I will try. Halley told me on the way home Saturday evening I was the first female president our club has ever had; that is a honor for me. Grand Ole Tour is coming up next week and will be great fun. Thank you Ron and the tour committee for your hard work.

The holidays are coming and that means our annual Christmas party on December 9th. We always look forward to it. Hope y'all have a blessed week and will see y'all at the 58th Grande Ole Tour.
