

## A word from the new President

I would like to thank everyone for confidence in me to be their President and their participation in "OUR Car Club" I want everyone to know that this is "OUR CAR CLUB", not mine or anyone else's alone. The purpose of the Club is to advance the preservation and enjoyment of vehicles, we find them, fix them and drive them.

I encourage anyone with or without an "old car", formally defined as a vehicle at least 25 year or older, to be a member and participant in the activities of our Club. Remember if you know someone who is interested in "Old Cars" invite them to a meeting as a guest, the club will pay for their dinner, to see what our Club is about. Let's make this our Club's year of growth and most of all having a great year sharing our car problems and successes with each other.

Your President and friend,

Ron Backer

a friend with chocolate

We have less than 2 weeks until the GRAND OLE TOUR in APLINE TEXAS. I hope everyone is ready and can't wait to go like we are. There are lots of great things planned for everyone. It's taken a lot of hard work from Ron Backer, Dale and Cathy Dawson to get this all together. We all hope everyone going really has a great fun time.

**HAVE FUN!**

What a great time we had in Monahans. It was a very nice day to be in the Monahans Park. Lots of beautiful cars and such nice people to sit with for the day. Weldon and Brad took home 1<sup>st</sup> place trophies for their cars. Weldon's new 1929 Truck is absolutely beautiful. In fact Weldon won 2 first places one for the truck and one for the pink car. The pink car wasn't the one he was planning to take but the original one broke down on the way to Monahans. The truck had a problem at the start and as you can see from the pictures several men came to help. It was just a matter of knowing what buttons to push and once that happened Justin had it running and into the park.

On September 17 several of us got together and did a drive by for the McCanns Birthdays. Jack was so excited to see us all. It was great to see them again. I know a lot of us had tears in our eyes. Then we were off to Texas Burger Ice Cream! Thank you to Ron and Jerry for getting this together.

September has been a great month and October looks to be even better. If you're going on the Grand Ole Tour with us can't wait to see you. It will be an awesome few days!!!! We also need Door Prizes, any kind of goodies are welcomed, cookies, cake, items of all kinds. If you're not going you can still help us with any donations for the tour.
